II HOURLY ENGINE · WHAT RUNS EACH HOUR

- 1 read the broker -> real balance, positions, orders
- 2 funnel every open market to the 7 strongest up-trends (hourly candles)
- 3 trail, every hour: exit any position at the 3.14x ATR chandelier (market)
- 4 check the 7 for a breakout of the trimmed 60h high (top 3 highs dropped)
- 5 buy the breakouts with a market order, 9% of balance each
- 6 report: full PDF + heartbeat daily; a ping only on hours it trades
